Above is a list of charges and Bond Amounts set per the Bail Schedule in the Alabama Rules of Criminal Procedure. While this list does not contain every offense contained within the Code of Alabama, it does reflect some of the more commonly used offenses. All the bonds listed, with the exception of NWNI, should be posted as a Secure Bond (Bonding Company, Property Bond, or Cash). The bond for NWNI can be posted as a Recognizance Bond/Signature Bond. Any changes made in the bond schedule must be approved by the Judge or Circuit Clerk/Magistrate as per the Rules of Criminal Procedure. However, every incident is different and may need a higher/lower bond or an unsecured bond may need to be posted, which can be addressed on a case by case basis.

Uniform Traffic Citations issued for offenses other than, DUI, BUI, or Reckless Driving, and the defendant is committed to jail, the defendant should be allowed to sign the UTC to secure their appearance in court, rather than posting a bond for those minor traffic offenses.

If there are any questions in reference to the above listed bond schedule you may contact Chris May by cell phone at 256-610-5321 or at home 334-863-5977. If he is unavailable you can contact Judge Tinney.
